

NFCS SUMMER READING LIST – SECOND GRADE

North Florida Christian School expects all students to read during the summer. Parents are encouraged to participate in this process by reading aloud and helping their child choose appropriate books to read. This suggested list for summer reading is not exclusive but attempts to provide choices for various reading abilities and interests. Children need guidance in selecting the right books.

Students entering the Second Grade should read ten (10) books during the summer. Out of these ten books at least one book must be a chapter book. The book title and author's name should be written at the bottom of this form. The attached form should be completed discussing one chapter book. The completed list and chapter book form should be signed by a parent and submitted to the teacher on the first day of the new school year. Each child that turns in their summer reading the first week of school will participate in a celebration party with their class and receive a bonus reading test grade of 100.
